

SCDA Instructor Hand Gestures

Used with radio commands when possible

Hand Taps Roof 1 Time: Radio

“Follow my line better.”

Hand Taps Roof Several Times:

Radio “Follow me closer”

Open Hand Facing Up: Radio “Back

off and follow farther behind.”

Finger Pointing Down: Radio “Use this reference for your Turn-In, Apex or Track-Out”

Finger Pointing Up and Circling:

Radio “Begin changing position in line”

Closed Fist in the Air: Radio “We will enter Pit Lane this lap. Everyone put your fist out the window”

Hand Held Up with Open Fingers: Radio “We are letting a faster team pass Off-Line. Give them a point by.”

Reminder: Passing with the SCDA requires a Point By. The driver passing must wait for a Point By and move Off Line to pass. There is no passing in the corners, even with a Point By. The driver being passed points to let the passing driver know which side to pass on.
